The Vacation Voucher is an excellent way to create more customer loyalty. We use it to reduce cancellations and to add more sizzle to the packages we are offering our customers. We can offer discounts all day long, but give them a vacation and they can't thank you enough.

SHERLOCK HEATING AND
AIR CONDITIONING:

**Increased close rate
from 17% to 70%**

"We love giving out cruises and condos as incentives for customers who sign with us. It offers a ton of value and the feedback we get is incredible. Our customers tell us that the reason they went with us over the competition is because of the voucher."

— Richard Johnson, Sales Manager

PARKER & SONS:

**Increased closing rates
by nearly 20%**

"Destination Motivation helped me significantly increase my sales and interaction with my clients. They gave urgency to the close and the vacations add more perceived value than I could have imagined."

— Paul Kelly, Comfort Consultant

RENEWAL BY ANDERSEN:

**Increased close rates
from 28% to 42%**

"By pushing these out to my customers, I found my closing rate went up dramatically. When people see the value of it, it really helps a lot with sales and customer satisfaction. I actually won our company contest and got to take my own cruise - it was wonderful! I highly recommend it."

— Yeta Rushford, Sales Manager

JON WAYNE SERVICE COMPANY:

Increased average deal by \$1,500 "I was kind of skeptical about it, thinking it might be too good to be true. After talking with them we realized it was a very simple program that was an extra tool for us to use. At the end of the day, they helped make customers happy and excited about their purchase. Average tickets have increase, close rates have gone up by 10-15% - using this as a perk has really worked towards our benefit. We are firm believers in this company." — Carlos Felix, Sales Manager
