

Comfort you can afford

Financing solutions for your energy upgrades

The **GoGreen Home Energy Financing** program helps California homeowners and renters access attractive financing for energy upgrades. GoGreen Home is a state-administered program available to California residents who own or rent and who receive electric and/or natural gas service from City of Palo Alto Utilities or any of the following investor-owned utilities: PG&E, SDG&E, SCE or SoCalGas.

Explore loan options

Discover loan options, explore eligible upgrades and get started on your residential energy project today.

GoGreenFinancing.com/comfort

Benefits

- Below-market interest rates and affordable payments
- No money down, no closing costs, no hidden fees and no lien on your property
- Use up to 30% of loan amount toward non-energy improvements
- Finance related required upgrades, including electrical panels
- Borrowers with a wide range of credit scores may qualify

Many qualifying projects

- Heat pump HVACs
- Other efficient heating & A/C systems
- Insulation & air sealing
- Windows & cool roofs
- Heat pump water heaters
- **Coming in Summer 2024:** Solar+battery storage and EV charging!
