Disclaimer of Implied Warranties. To the fullest extent permitted by law, all implied warranties — including implied warranties of merchantability and fitness for a particular purpose — are disclaimed. This warranty is the sole and exclusive warranty and supersedes all other warranties, express or implied. The Company reserves the right to use replacement products or parts that may differ from the original in appearance, configuration, performance, or structure.

Limitation of Liability. The Company is not responsible for incidental or consequential damages or losses arising from any cause, including its own negligence, even if advised of the possibility of such damages. No Modifications. No employee, agent, dealer, distributor, service company, or other party is authorized to alter, modify, or extend the terms of this warranty in any manner.

Warranty coverage is provided in the United States of America only. The liability of Company under this limited warranty, if any, shall not exceed the original amount paid for the product claimed to be defective (exclusive of shipping and installation costs). These disclaimers shall be equally applicable to any service provided by Company and its designated representatives. Warranty coverage is conditioned on: (1) the failure is of the nature or type covered by the warranty; (2) the user has informed Company or its Warranty Department representative of the nature of the problem during the warranty period; (3) user providing dated proof of purchase (original sales receipt); (4) the failure occurred or was discovered within the warranty period; and (5) a Company representative has been permitted to inspect the product during regular business hours within a reasonable time after the problem was reported by the user. To make a warranty claim, contact Company at (800) 266-0075. All replacement parts and repairs shall assume the remaining warranty period of the part(s) replaced. The Company's warranty obligation shall be discharged upon tender of replacement or repair. The customer's refusal to accept the tender terminates the Company's warranty obligation.

LEGAL RIGHTS: This Limited Warranty gives you specific legal rights. There are no warranties applicable to Jacuzzi® products except as expressly stated herein or as implied by applicable state and federal laws that have not been disclaimed. You may also have other rights that vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, disclaimer of certain warranties, or the exclusion or limitation of incidental damages, so some of the above limitations may not apply to you. Company is not responsible for statements or representations that go beyond, are broader than or are inconsistent with any authorized literature or specifications furnished by the Company.
