For this warranty to be valid the contract must be paid in full. This warranty covers all workmanship for the lifetime of the installation. Product warranties will vary based on the manufacturer. Replacement cost of defective products is solely the homeowner's responsibility. KK will remove defective products and install replacements at no labor cost under this warranty. Any hard-scaping is covered for 1 year, excluding cracks in any concrete work. This warranty does not cover issues due to misuse, abuse, or an act of God (storm, flood, etc.). See signed Agreement.

*This warranty is only transferable at the time of sale for a transfer fee.
A Kris Konstruktion inspection must be completed prior to the transfer approval.
No warranty transfer after 5 years of the roof installation.*
