

## PFOA/PFOS FILTRATION SYSTEM FLOPLUS PROTECT 20BB

### Peace-of-mind and proactive protection.

Enjoy great-tasting, cleaner water from every tap your home with “forever chemical” reduction.

#### Proactive Protection

Engineered to reduce up to 98% of PFOA and PFAS contaminants throughout your home

#### Superior Filtration

Proprietary filtration technology to 0.5 microns provides better-tasting water, contaminant reduction, and helps ensure consistent water pressure

#### Limited Lifetime Warranty

Get peace of mind with one of the most comprehensive warranties in the industry

#### Quick and Easy

Pressure relief button on cap makes filter changes simple and fast

#### Compact Footprint

Slim design enables you to reduce the presence of contaminants without sacrificing space in your home.

The model FloPlus Protect 20BB is certified by IAPMO R&T against NSF/ANSI 53 for the reduction of perfluorooctanoic acid (PFOA) and perfluorooctane sulfonate (PFOS).

Benefits will be provided by various types of RainSoft equipment when installed and operated according to manufacturer's recommendations. Operational, maintenance and replacement requirements are essential for the product to perform as advertised. All claims based on best available information at time of printing. Manufacturer makes no representations as to the suitability of this equipment for a particular application. Buyer relies entirely on dealer's recommendations in the purchase of this equipment. Independent RainSoft dealers may include, together with your RainSoft product, a product or component that is not manufactured by RainSoft or their parent company, Aquion, Inc. Any non-RainSoft product may be covered by the manufacturer of that product, and is not covered by the RainSoft warranty. Aquion, Inc. does not warrant that your RainSoft product and the non-RainSoft product will perform properly when used together, and assumes no liability therefore.
