

## Congratulations on your purchase!

All Granite and TREND Transformations high-performance etherium™ By E-Stone countertop surfaces are manufactured to strict quality standards and designed to provide total satisfaction, year-after-year. Our Lifetime Limited Residential, along with our Commercial Warranty, ensure that you are protected should your surface ever fail to live up to its promise. Your warranty is only valid when you provide your warranty activation confirmation along with proof of final payment for your installation.

### Follow these simple instructions to activate your warranty:

# 1

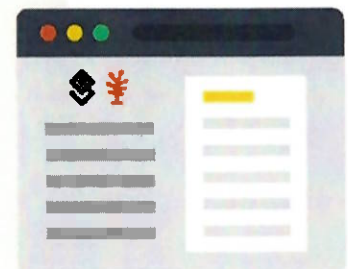

Keep your receipt  
handy to verify your  
installation date

# 2

Go to  
[granitetransformations.com/warranty](http://granitetransformations.com/warranty)  
and fill out the form

(You can also access the form via the activate  
warranty link found in the website menu.)

# 3

Submit the form and save your  
Warranty Activation Confirmation  
email for your records.

**Submit**
